

Resources

Watch this video to see how to make one of the caterpillars that will help transport the sick bees of Honeywood, to the hospital:

<https://youtu.be/9ZYxJPZOitA>

Method

- 1 Use double sided sticky tape to stick two sheets of paper together
- 2 Fold them back and forth, then tape the end of the sheets
- 3 Repeat this process three times, then stick the three parts together
- 4 Draw a circle on the card and cut it out
- 5 Stick some googly eyes onto the circle
- 6 Draw a mouth and cut it out, then stick it to the circle
- 7 Make some antennas out of pipe cleaners and stick it on the head
- 8 Attach the head to the paper body you made earlier

Learning Outcomes

- 1 Learners will develop an understanding of...
- 2 Learners will develop basic knowledge of...
- 3 Learners will ...

The Bumbles of Honeywood is a set of books, activities, and merchandise to introduce children to important life skills such as entrepreneurial skills, creativity, teamwork, determination and self-confidence.
