

Resources Use the book to learn about what residents of Honeywood can do to reduce the spread of American Foulbrood. The rules aren't explicitly stated in-text, encourage the children to look closely to find them!

Method

- 1** Ask the children to look through the book to find the rules residents of Honeywood must follow to reduce the spread of American Foulbrood
- 2** Ask the children to add in three of the rules the residents must follow to protect Honeywood
- 3** Ask the children to add some drawings of Honeywood residents in the template below

Learning Outcomes

- 1** Learners will learn to record from first-hand experience by scanning book text;
- 2** Learners will develop their creativity and imagination;
- 3** Learners will improve their ability to control materials, tools and drawing techniques.
