

## Resources

Watch this video to see how to make one of the caterpillars that will help transport the sick bees of Honeywood, to the hospital:

<https://www.youtube.com/watch?v=uuCEnYrZtR8>

## Method

- 1 Use double sided sticky tape to stick two sheets of paper together
- 2 Fold them back and forth, then tape the end of the sheets
- 3 Repeat this process three times, then stick the three parts together
- 4 Draw a circle on the card and cut it out
- 5 Stick some googly eyes onto the circle
- 6 Draw a mouth and cut it out, then stick it to the circle
- 7 Make some antennae out of pipe cleaners and stick it on the head
- 8 Attach the head to the paper body you made earlier

## Learning Outcomes

- 1 Learners will understand how to follow instructions
- 2 Learners will understand how to use materials to make creatures

The Bumbles of Honeywood is a set of books, activities, and merchandise to introduce children to important life skills such as entrepreneurial skills, creativity, teamwork, determination and self-confidence.
